

The City of
RUIDOSO DOWNS

Gary L. Williams, Mayor

Date: 10/09/2015

Re: Agua Fria Sewer Phase I

We are pleased to announce to you, our citizens of the Agua Fria Subdivision, that the Agua Fria Sewer Phase I project is now complete and is ready for you to hook up to the long awaited city sewer.

We would like to thank you for your patience and understanding during this project and at this time would like to inform you that the next project in your neighborhood is very close to getting started.

The Agua Fria Water System Improvements Phase I has gone to bid, DuCross Construction, LLC of Las Cruces, NM was the low bidder on the project and should be starting on the project in the very near future.

The area that will be affected by construction will be Spring Road, Griffith Drive, Escalante, Acequia, LaCanada, and Parkway. We are very excited to be moving forward with updating our infrastructure in your area to serve your future needs.

Again we thank you for your patience and understanding during our construction.

Please feel free to call if you have any questions.

Dale Graham
Interim Public Works Director
